

Weddings

Whether your ceremony is set in the Boeing 747 or in one of the mind-blowing Hangars amongst the vintage aircraft, HARS Aviation Museum is sure to make your special day more memorable than most.

HARS is unique as well as having the most outstanding opportunities, to create your point of difference from all the rest.

Enjoy a classic collection of cakes, slices, tea and coffee or do a tour of the Museum while waiting for officials or photos.

Let HARS Aviation Museum set up our Hangar 1 for your Wedding. Our award winning caterers will serve a four course formal dinner or have a selection of finger food offered to you by their experienced wait staff.

Please call or come and see us at HARS and let us show you just how good your wedding can be.

Please contact Sherryl Sherson: events@harsmuseum.org to discuss further details.
